### Confirmation Letter

Dear Madam/Sir:

I, Aaron Ciechanover, Nobel Prize Laureate of Chemistry in the year of 2004, will join "Nobel Across China" in 2011, and will be keynote speaker at 2011 World DNA and Genome Day, which will be held April 25-30, Dalian, China (due to time constrains, I will be able to participate only the actual DNA and Genome day on April 25<sup>th</sup>).

I am so delighted to see the steady economic growth and development of China in the past decade and even under current challenging economy situation. It's my great pleasure to visit China the coming spring and promote the international educational and scientific exchange program of BIT Life Sciences. My CV, Biography, title and abstract of my speech will be forwarded to the organizing committee of 2011 World DNA and Genome Day. I will be fully committed to 2011 World DNA and Genome Day organized by BIT in Dalian, China.

If you need any further information, please feel free to ask Dr. Xiaodan Mei, or directly to Contact me.

Sincerely yours,
