Nobel Laureate Forum

Sponsored by the Program of "Nobel Across China"-2011

Confirmation Letter

Dear Dr. Mei,

I, Thomas A. Steitz Nobel Prize Laureate in Chemistry in the year of 2009, will join "Nobel Across China" in 2011, and will be keynote speaker at 2011 World DNA and Genome Day, which will be held April 25-30, Dalian, China.

I am so delighted to see the steady economic growth and development of China in the past decade and even under current challenging economy situation. It's my great pleasure to visit China the coming spring and promote the international educational and scientific exchange program of BIT Life Sciences. My CV, Biography, title and abstract of my speech will be forwarded to the organizing committee of 2011 World DNA and Genome Day. I will be fully committed to 2011 World DNA and Genome Day organized by BIT in Dalian, China.

If you need any further information, please feel free to ask Dr. Xiaodan Mei.

Sincerely yours,

Dr. Thomas A. Steitz
