Nobel Laureate Forum

Sponsored by the Program of "Nobel Across China"-2011

Confirmation Letter

Dear Sir or Madam

I, Tim Hunt, Nobel Prize Laureate of Physiology or Medicine in the year of 2001 will join "Nobel Across China" in 2011, and will be a keynote speaker at 2011 World DNA and Genome Day, which will be held April 25-30, Dalian, China.

I have been delighted to see the steady economic growth and development of China in the past decade, continuing even in the current challenging economy climate. It's my great pleasure to visit China in the coming spring to help promote the international educational and scientific exchange program of BIT Life Sciences. My CV, Biography, title and abstract of my speech will be forwarded to the organizing committee of 2011 World DNA and Genome Day. I will be fully committed to 2011 World DNA and Genome Day organized by BIT in Dalian, China.

Sincerely yours,

A handwritten signature in black ink that reads 'Tim Hunt'. The signature is fluid and cursive, with a long, sweeping underline.
